BRIEF ABSTRACT OF LETTER.

Forwards for sanction the travelling allowance bill of Mr. Venkataramana Naidu III Carpentry Instructor, Mysore Industrial School for his journey to Coonoor and back in July 1912 to undergo treatment in the Pasteur Institute, Coonoor for dog-bite, as the Comptroller has refused to pass the bill without the sanction of Govt. on the ground that the rules prescribed in G.O No. 631-80 Med 2-68-95 & 22-7-11 refer only to persons paid from Genl. Revenues.

NOTES AND ORDERS.

The Comptroller's view that the rules prescribed in G.O &c & 22d July '11 refer only to persons paid out of General Revenues & not to Govt. servants paid from L.F. Genl does not appear to be correct.

3. The T. A. bill in this case is of the carpentry Instructor (on pay Rs 62-8-0) of the Alleppey Industrial School which is maintained not from General Revenues but from Local Fund General. The question for consideration is whether the employees of the said School can be considered as Government Servants so as to be entitled to the benefits of the concessions enumerated in paras 1 to 9 of the G. O. of 22nd July 1911 (subsequently revised) to be given for treatment at the Pasteur Institute at Coonoor. It is doubtful whether the employees of the School referred to can be considered as Govt Servants for the purposes of the G. O. referred to. In the case of grant of loans under the Alleppey City Improvement Regulation Government observed that persons employed in the Municipality, the Palace and the Rural Boards are not Govt Servants

SIR,

With reference to your docket No.8307/Med.5-12-6 dated 19th April 1913 inquiring whether there are instances in which any of the staff of the Industrial school, Mysore is paid travelling allowances &c., I have the honour to inform you that there is a provision of Rs.150/- per annum under travelling allowances for the Assistant Masters and Maistries of the Mysore Industrial School under the Head I(i) of the budget of the Industrial and other special schools. Under Head VII of the same budget there is a sum of Rs.600/- for the travelling allowances of the Superintendent. The latter provision is meant for the travelling allowances of the Superintendent when he goes on tour of inspection of the minor Government Industrial schools in the State or when he goes on other journeys, such as the visit to the Allahabad Exhibition in 1910-11. The former provision of Rs.150/- is utilised for the travelling allowances of the Assistant Masters and Maistries for the journeys made by them in special circumstances, as for instance, the journey made by the Carpentry Maistry in 1909 to study the making of "Jones patent Bamboo carts". The payment of travelling allowances for this journey was sanctioned by Government Order No.Fl.3902-3/S & A 370-09-4 dated 8th February 1910. Similarly for the journey made by the Drawing master in the same year for attending

attending Dr. Manjunda Rao's Home Industry classes at Madras, travelling allowance was sanctioned in Government Order No.10406-6/ Edn.354-08-2 dated 21st April 1909. All these allowances have been ~~xxxxxxx~~ paid according to the provisions of the Mysore Service Regulations.
